

Greeters

(Modified May, 2015)

Plan to arrive at 10:00.

Prepare the Welcome Table. Put out:

- * a packet sticky name tags for first time or one-time visitors
- * a few pens
- * the yellow file box of name tags for people who signed up for one
- * and the sign-up sheet for people who plan to return and would like a name tag.

(All of the above should be in a plastic container in the cupboard. If we're low on sticky nametags, put a note in Tammy's "mailbox" by the office door.)

Don your BUF name button and a **GREETER** button (in the basket with Greeter supplies)

Stand at door to welcome people. Help first time visitors to make out a sticky name tag. If visitors have young children, explain that there is childcare available. Direct them up the stairs. Older children will stay for the early part of the service and go to RE when directed. Tell people with babies about the nursery at the back of the sanctuary where they can rock their baby while they listen to the service.

NOTE: If this is a guest's second visit and they plan to come again, invite them to sign up for a permanent nametag. Please ask them to use a ballpoint pen and to print legibly.

One-time visitors should not sign up for a nametag.

People who have previously signed up for a nametag can find theirs in the yellow file box. The nametag goes in a plastic sleeve and is worn. Before leaving they can put their nametags in rough alpha order on the nametag racks in the narthex, ready for their next visit.

Once the service begins, close the doors to the narthex and staff the table until **about 10 minutes** before joining the service.
